

The Lynam Insurance Agency is well-respected in the Bar Harbor business community, and the Abbe Museum is very pleased to be working with them year after year. We have relied on their expert and reliable service in the handling our general property and casualty insurance, which includes collections and exhibitions, and liability coverage for our directors and officers. They understand the needs of the Abbe Museum, and have provided us with comprehensive policies, as well as coverage for special projects. As a non-profit organization, the Abbe Museum trusts the Lynam Insurance Agency to deliver value and security at a budget-conscious price. They have been accessible, friendly, and professional in every instance.

Thank you so much for promoting the Abbe Museum on your new website.
